10:30am coffee and mingling
12:15pm reception

<https://washington.zoom.us/j/98872129993>
*parking in UW Central plaza garage

“Bill was our friend, colleague, and Chair of the department for 32 years. His sudden passing at a Calcium Channel conference in the Philippines is a huge loss and a shock to all. Bill was a titan of the field and a hugely influential force in world pharmacology. Bill’s positive influence in the Department of Pharmacology, the Undergraduate Neuroscience Program, and UW School of Medicine is incalculable. He will be sadly missed.” - Dr. John Scott

The memorial service will be broadcasted on Zoom:

DEPARTMENT NEWS

Rotation Talks will be on Tuesday, March 26th, at 2:30 PM in room D-209. Please join us to support our first-year graduate students.

Recruitment Update: Two candidates have accepted our offer of admission to our graduate program. The deadline to accept our offer is April 15, 2024. We hope to have a cohort of 5-6 students.

Our department retreat will be on Friday, September 20, 2024, at the Center for Urban Horticulture. More details will be available in late Summer.
