

Graduate Student Fees Due Friday, April 17, 2026

Please pay your portion of your student fees before the deadline to avoid any late charges. Fees are \$277 this quarter, plus any optional fees (WASHPIRG, WSA, UW USAS).

2026 Cycle 2 Pre-Award Planning

If you're planning to submit an NIH proposal, Sarah and Grace would like to remind you about some newer NIH policies.

- Updated Data Management & Sharing Plan Elements – Applications due on or after 5/25, applications are required to use NIH's new, simpler format. Preview of the [simpler format](#).
- Required Research Security Training – Complete the 1-hour research security [training](#).
- NIH Biosketches – NIH requires the use of [SciENCv](#) Common Forms for Biographical Sketches and Other Support documents.
- End of Continuous Submission – NIH will accept continuous applications through 8/10 for June/July 2026 standard due dates, after the program ends. [NOT-OD-26-064](#)
- Limit on Proposal Submissions – Investigators may not submit more than (6) proposals for council rounds in a calendar year as PI or MPI

Pharmacology Pre-Award Intake Form: https://uwnetid.sharepoint.com/sites/phcol_grants

In the 'Notes' section of the intake form, please let us know which institute you're working with, as some have unique requirements. Also, if you expect to include any subcontracts, feel free to mention that too–this will help us gather the additional information we'll need from the partnering institution.
