

## PHARMACOLOGY FRIDAY MAY 29, 2026

### Celebrating Pride Month

June is Pride Month, a time to recognize and celebrate the history, contributions, and resilience of LGBTQIA+ communities. Throughout the month, we encourage our community to take time to learn, engage, and celebrate the diverse voices and experiences that strengthen our department and campus community.

To mark the beginning of Pride Month, the Pride flag will be raised on June 1 at noon at UW Medical Center – Montlake.
