

## PHARMACOLOGY FRIDAY JULY 2, 2026

### Celebrating Our NIH F31 Award Recipients

We are proud to congratulate Mickey, Maddie, and Sydney on receiving prestigious NIH F31 Fellowships. Earning an F31 award is no small feat—it represents months of hard work, dedication, and a highly competitive application process recognizing outstanding promise in biomedical research.

Beyond their research accomplishments, Mickey, Maddie, and Sydney are valued members of our department who are always willing to lend a hand and support our community. Their commitment, both in the lab and throughout the department, makes this achievement especially meaningful.

Congratulations on this well-earned honor! We look forward to seeing all that you accomplish in the years ahead.

### Enjoy the 4<sup>th</sup> of July Extended Weekend

The department will be closed tomorrow, July 3rd, in observance of the 4th of July. We wish everyone a safe, fun, and relaxing holiday weekend!

Whether you're planning a backyard barbecue, gathering with family and friends, or exploring the Seattle area, there are plenty of ways to make the most of the holiday. If you're looking for inspiration, [Seattle Met](#) and [Seattle's Child](#) have compiled a guide to fireworks, parades, and family-friendly activities happening throughout the region.

### Graduate Student Fees Due Friday, July 10th

Please remember to pay any outstanding fees by Friday, July 10th, to avoid late payment charges being added to your account. Taking care of your balance by the deadline can help prevent unnecessary fees and account holds.

### Happy Hour at Heave Ho!

Join your colleagues for an informal summer happy hour at Heave Ho on Friday, July 24th at 4:30 p.m. This is a great opportunity to unwind, catch up with coworkers, and enjoy good company. This is a non-sponsored event. Food and beverages will be available for purchase. [RSVP](#)
